In my message to the faculty and student body of Patrick County High School, I urge you to note the highly personalized aura which surrounds the 1979-1980 Archive. This aura was achieved solely through the dedication of its members. The final production was the labor of eleven persevering Juniors and Seniors, and one dedicated sponsor, who struggled with deadlines, grease pencils, and everything else excluding each other. The bonds formed enabled us to unite in striving towards our common goal, a closely interwoven Archive.

We feel we have not only met, but surpassed this goal. I sincerely hope you feel we have adequately portrayed the closeness between you, the students, and the lasting relationships which are formed in high school.

It has been my pleasure to serve as your Editor-in-Chief for this edition of the Archive.

Sincerely,

Cynthia L. Eckenrod

Annual Staff

The duties of a Guidance range from consulting with other counselors and advisors to helping out with various student activities.

One of Mrs. Joyce's many responsibilities is to help plan the class schedules of the students and to contact students to arrange for necessary changes.

The 1979-1980 Archive Staff would like to recognize Mrs. Ella Sue Joyce for her loyalty and faithful service to the student body and the school. We have selected her for the dedication of this annual on the basis of her professional guidance skills, personal standards, and her radiant personality.

Thank you Mrs. Joyce.
We Love You!

Often, the duties of a guidance counselor become a family affair. The Joyce family started out the new year assisting with preparations for class registration.

Mrs. Joyce holds conferences with parents and students every day to iron out problems, discuss opportunities and plan for the future.

It is a necessity for counselors to get along well with all members of the faculty and administration, and getting along with others is one of Mrs. Joyce's best qualities.

Dedication

Running Smoothly

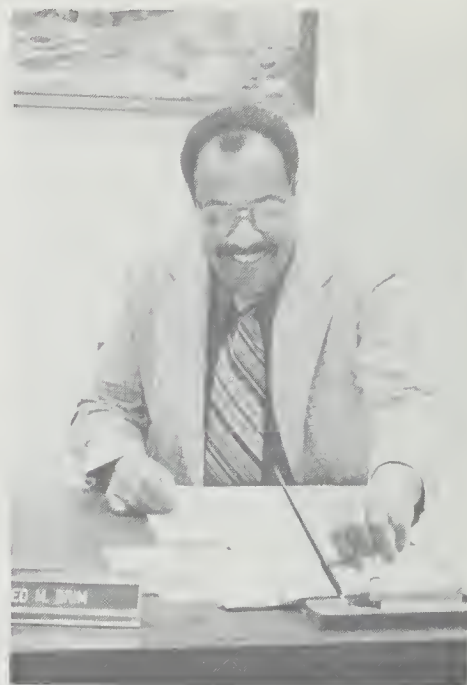

Administration Keeps School

Bill Dillon and Jeannie Rea have a friendly chat at the end of a hectic day. As members of the High School administration, they must not only be compatible with each other, but must also have harmonious relationships with the members of the faculty and student body. The administration of Patrick County High School is responsible for making the school run smoothly.

James K. Hiatt
Principal

As the director of secondary education, Fred Brim must make many decisions which help to determine the successfulness of the curriculum.

Martha Martin

Mack George

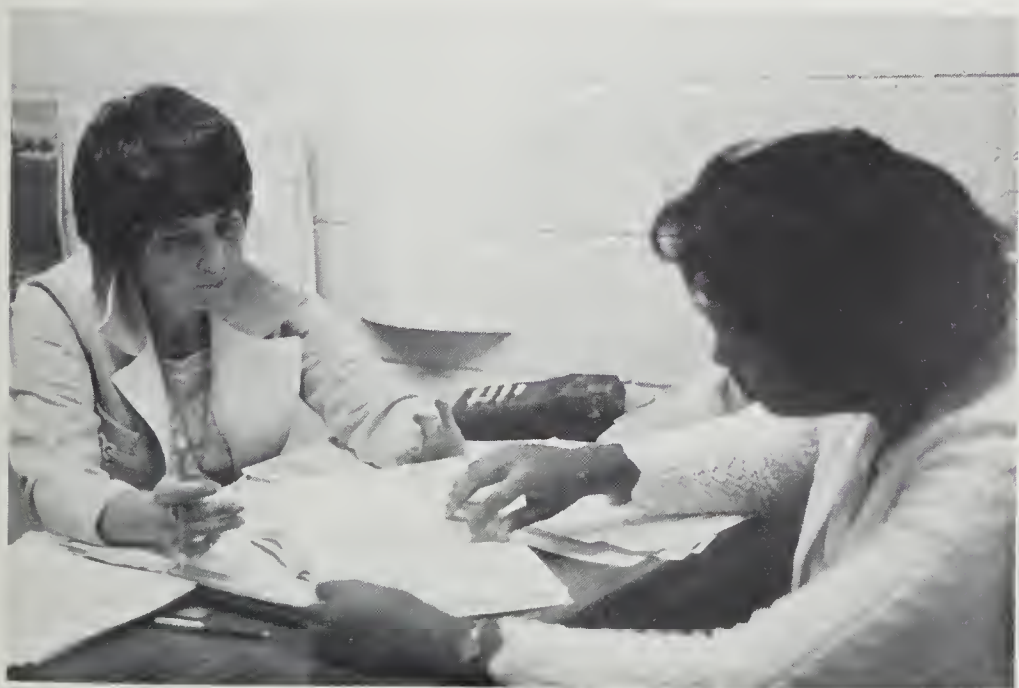

Priscilla Diggs reviews results of the SRA and STEA testing programs.

Tressie Cooper
Secretary

Counselors in the Guidance Department listen to complaints, desires, and aspirations of students in all grades. They help students to solve or cope with problems in school and at home, and aid them in fulfilling their dreams. Tressie Cooper keeps track of important data, and helps students with minor problems.

Martha Martin assists Nancy Penn with college research, and reviews necessary points to consider in making a college choice.

Members of the guidance department take an active part in student activities, such as "Crazy Hat Day", as Martha Martin shows here.

Social Studies

From the beginnings of time to the 1980 Summer Olympics, students study ancient history up to the most current events in the Social Studies department. In the ninth grade, students are required to choose between World History and World Geography. Courses in U.S. History and U.S. Government are required in the junior and senior years. Other courses, such as Sociology or Economics are also offered.

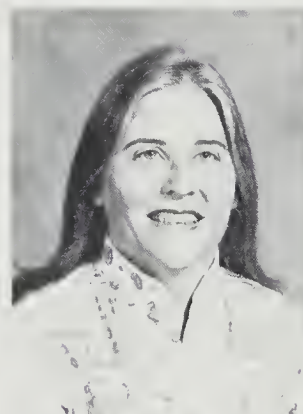

Bill Hanner expounds on the similarities and differences between the North and the South as his U.S. History class listens with interest.

John Halsey shrugs his shoulders and proclaims, "Teaching ninth graders just isn't what it's cracked up to be!"

Claudette Thompson
World History

Rachel Williamson
U.S. History

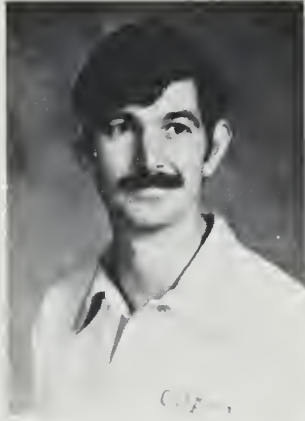

Either John Halsey is meditating on a World Geography question, or he is preparing to put that handy little ruler to use on one of his students . . . Students, BEWARE!

Students at the Patrick County High School have the opportunity to expand their horizons in not only academic and social areas, but also in the areas of the fine arts and mechanical arts. Students with special learning problems are taught to overcome their problems through the Special Education and Learning Disabilities programs. Other necessary services are offered to the students through the clinic, audio visual department and the library.

Science Department

Dana Priddy looks up from his *ENCYCLOPEDIA OF BIZARRE PUNISHMENTS* for EIGHTH GRADE SCIENCE STUDENTS and exclaims, "I found it! It's just perfect . . . just you wait, David Weatherman!"

A wide variety of courses are offered in both the Physical and Biological Sciences at Patrick County High School. The science teachers are:

Janice Axelson: Human Anatomy, Biology
 Arnold Kloock: Chemistry, Physics, Science 8
 Jo Moricle: Biology
 Sandy Nelson: Science 8 (substitute)
 Pam Owens: Science 8
 Dana Priddy: Science 8

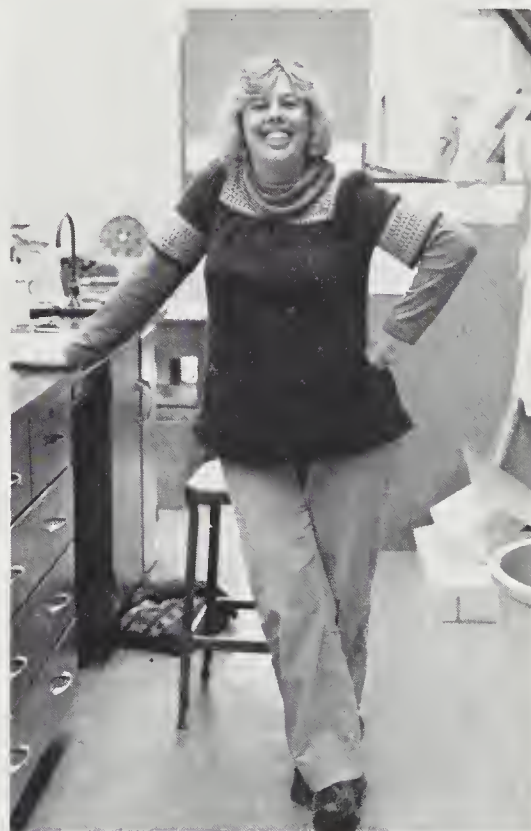

Jo Moricle: "Adam Martin, did you write these obscene messages on this slide?"

Janice Axelson: "How dare you call these 'old bones!'"

Sandy Nelson: "Don't ask such stupid questions, Clay. Of course, I know what I'm doing!"

Pam Owens: "Are you trying to tell me that you threw an egg off the top of the football tower, and it didn't break?"

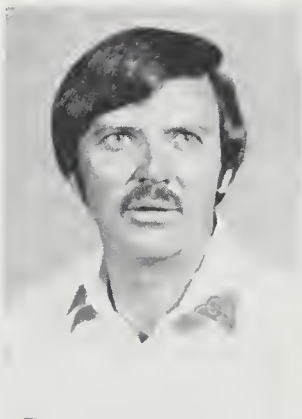

Arnold Kloock: "Did ya' ever hear the one about the college student who tried to write a humorous paper? . . . Oh never mind, it's not that funny anyway."

Juniors: Their Behavior Reflects

Class Officers: Tammy Hutchens – Pres., Sandra Carter – Vice-Pres., Terry Stone – Sec't. Sponsors: Mr. McConnell, Mrs. Agee, Mrs. Shelor, Mrs. Belcher, and Mr. Farmer.

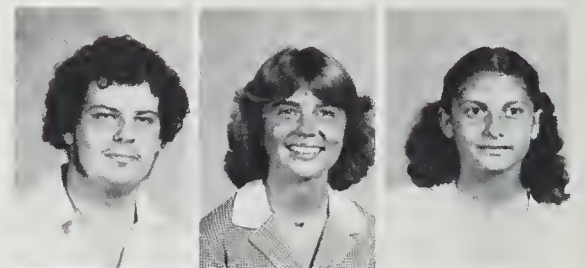

The Juniors had a busy year. Preparations for the hard work were made in the latter part of the Sophomore year when trustworthy class officers were elected. They successfully took the responsibilities and worked hard.

The Juniors' first task was raising money for the Jr.-Sr. Prom, which they decided to hold in the gym. Their money making project was selling M & M's.

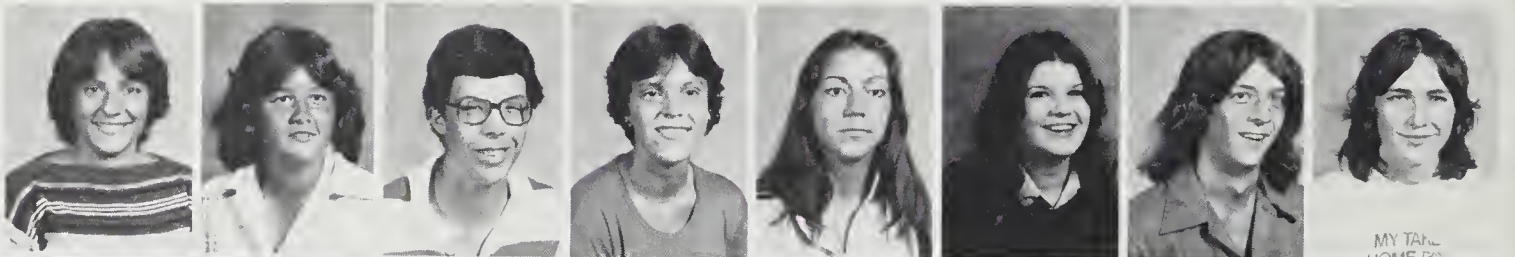

When the time came to pay for class rings, many Juniors felt as if they would have to think of a money-making project, this time for themselves. Indeed, the price for class rings was high, but after receiving them, the Juniors knew the rings were worth the money.

For many, the Junior year meant making decisions for college, taking the SAT, and struggling through advanced courses. Whatever they had to, the Juniors knew they would only have one "Junior year" to do it in.

Sophomores: They took a stab at vocational classes in typing, ate their lunch after dissecting frogs in Biology, and sat through and survived the many bloody Driver Education films. After performing the required jump rope routines, they left Physical Education behind them. New to Sophomores was the privilege of attending the first assembly and becoming drivers. The class of '82 grew even more in knowledge and maturity during their Sophomore year of High School.

"I absolutely will not go anywhere without my stuffed bunny!"

The class of '83 found their freshman year to be very exciting and memorable. They made their first decision for the future by choosing either college preparatory classes or classes that would prepare for work immediately after graduation. The freshmen who were quick to learn were found participating in many school functions and making the most of the short time they would have as students of Patrick County High.

Winford Joyce, have you been messing with those chemicals in Mr. Kloock's lab again?

With a teacher as handsome as Mr. Priddy, we wouldn't mind having Science class all day!

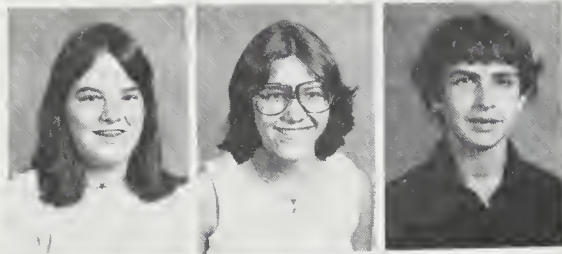

On August 22th, 1979, school time began for students in Patrick County. For the 8th graders, this meant starting over again, but this time it would be in high school. They rushed around and got lost in a mass of people that would soon become their good friends. Being an intelligent group, they adjusted quickly to high school life and enjoyed it very much. They proved themselves to the rest of the school as being the first sub-freshmen class ever to win the spirit stick. Their overwhelming spirit remained with them as they took another step to maturity.

Teacher of the Year

The Student Action for Education Club selected one teacher for each month of the school year to be recognized by the student body as Teacher of the Month. At the end of the year, the nine teachers that had been chosen monthly were candidates for Teacher of the Year. The student body voted from the list and determined which teachers would be the Teacher of the Year. The 1978-79 Teacher of the Year was Pamela Kidd.

"We've Got Tonight"

I know it's late
I know you're weary
I know your plans
Don't include me.

Still here we are
both of us lonely
Longing for shelter
from all that we see
Why should we worry?
No one will care, girl
Look at the stars
So far away . . .

We've got tonight
Who needs tomorrow?
We've got tonight, babe
Why don't you stay?

Deep in my soul
I've been so lonely
All of my hopes . . .
fading away

I've longed for love
Like everyone else does
I know I'll keep searching
even after today.

So there it is, girl
I've said it all now
And here we are, babe
What do you say?
We've got tonight . . .
Who needs tomorrow?
We've got tonight, babe
Why don't you stay?

Alan DeHart proudly displays his well deserved award.

Alan DeHart, a native of Woolwine, was given the annual Distinguished Patrick Countian award. DeHart is a professor of Psychology and administrative director of public affairs at Lewisburg College in Lewisburg, N. C. He has won several nature awards, including the U.S. Presidential Sports Award for backpacking, and the Appalachian Trail Conference award in 1978. DeHart has been given many academic honors, including being named to Who's Who in the Southwest for four years, to the Personalities of the South in 1976 and being named an Outstanding Educator of America in 1972.

Jean DeHart presents the award as SCA president Julie Wilkinson looks on.

Carolyn Williams, cafeteria manager, plans nutritious menus in compliance with the type A lunch that is required in the School Lunch Program. She collects and makes up recipes for menus, evaluates personal likes and dislikes of students, and performs bookkeeping and clerical banking for the lunchroom.

James Correll's duties consist of putting up stock, receiving checks and orders, serving as school mail carrier, and anything else that needs doing. He is the main custodian in the cafeteria.

Lennis Inman was the first cook. She prepares all meat dishes, serves as cashier, and is in charge when the manager is out.

The mechanics of P.C.H.S. are kept operating by our own handyman, James King. When the temperature drops and the heat won't come on, or other major mishaps of that sort, Mr. King is the first to be called. His expertise is invaluable.

The 1979-80 Varsity Football Team, under the coaching of Tom Berry, Doug Wingate, James Holleman and Tim Parker, retained the goal for winning record throughout the season. The players held practices every day after school and always tried and practiced hard. Although the team did not reach their goal, they never lost their enthusiasm and desire to play.

During the week of August 12-17, the team attended their first football camp at Ferrum College. The team had their first experience of living and practicing together 24 hours a day which taught them the basic principle of being a member of their organization: teamwork. The captains of this year's team were Mike Berry and Terry Merritt.

The 1979-80 Varsity Football Cheerleaders with the sponsorship of Mrs. Pam Owens had a successful year improving school spirit. The cheerleaders devoted much time to planning this year's Homecoming events and for each game the squad made favors for the players. Members of the squad were Cheryl Wimbish, Captain; Amy Mann, Anne Swofford, Susan Gunter, Barbara Bergeron, and Crystal Ingram, Co-captain.

Frosh Gridders

An opponent flees in terror as Cougar players Steve Ayers (81) and Mark Williams (66) follow in hot pursuit.

Although many of the players had never participated in football before, the season was successful as the boys learned fundamentals and became more interested in the sport. The team outplayed most of their opponents, but their critical mistakes held them back. Enthusiasm and desire to be winners made the players great prospects for the future.

The 1979 Freshman Football Team (listed alphabetically): Steve Ayers, Brian Beavers, Tony Beck, Curtis Bowman, David Bowman, Jeff Bowman, Ray Bowman, Chuck Bumgarner, Ricky Carter, Tim Goad, Grant Grey, Paul Hatcher, Daryl Holt, Phillip King, Donny Knight, Randy Lawless, Bobby Martin, Terry Martin, Mark Owens, Larry Penn, Steve Plaster, David Ratliff, Dale Robertson, David Scales, James Scales, Elvis Spencer, David Weatherman, Grey Whitlock, Kevin Williams, and Mark Williams.

"Go in," thinks Tammy Hutchens as she watches the ball hit the backboard.

The 1979-80 girls' basketball team finished their season with a victory over Drewry Mason. This victory gave them third place in the Piedmont District. With mostly juniors on the team, the lack of leadership was a weakening factor, but the balance of scoring helped the Cougarettes finish strong.

"Way to go, Pruitt!" comes from the sidelines as Debbie shoots for two.

JV COUG

Determination and teamwork led the 1979 – 1980 J.V. Girl's Basketball team to a 4-2 district record. Although most of the team consisted of 8th graders which had never played J.V. ball before, they showed strength defensively with height under the boards and aggressiveness as a team.

Because no single person dominated the games, points were made by most everyone who participated. Coach Burch stated that overall she was very pleased with the season, and that they were hard working young ladies.

J. V. Basketball

The first part of the season for the 1979-80 J.V. Basketball team was a growing process. As the season progressed the team gained confidence, established a game plan and stayed with that plan. All the boys had a good attitude and realized their role on the team. The overall record was 7 wins and 13 losses.

The 1978-79 season for the Girls' Track team was considered successful due to the experience it provided for the new team members. Coach Dillard commented on the long distance runs as being a definite strong point in this year's season. The coach also stated that there was potential talent in Patrick County that, if used, could spur the team to victory.

"Hey, what's in this thing?" exclaims Robin Booker as she puts the shot.

The 1979-1980 Gymnastics Team had the best season ever at Patrick County. Our Girl's Basketball coach, Miss Cindy Burch, after having a successful season, set out for another winning season in Gymnastics. The girls worked hard in practice and it paid off with more wins in one season than any other Gymnastics team at Patrick County. There were a lot of inexperienced participants therefore, Coach Burch is expecting another good season next year.

Leslie Slate displays brute strength and fancy footwork as he attempts this victory point for the game.

The 1978-79 tennis team became successful as the year progressed by winning their last two matches. As most of the team had never played competitive tennis, it took time for them to gain confidence and experience. Jimmy Gilbert, Cat Berry, and Ken Hancock were the strongest players in competition. Throughout the season newcomers to the team, Bobby Eckenrod, Vickie Stone, and Terry Stone showed tremendous improvement. Other players who showed exceptional tennis skill were Mark Walker, Ricky Handy and Kelly Witt.

The 1979 Cougar baseball team had an extremely successful season considering they won Patrick County's first ever Piedmont District Championship in ANY varsity sport. They did advance to the Regional Championship game where they experienced an unfortunate loss to the eventual state champions, Amherst County.

Assistant Coach Rich Tobler cited several team attributes such as good senior leadership, team spirit, and teamwork. He did state that there were several offensive and defensive positions that could be strengthened.

Several special mentions should be noted in summarizing the season. In his sixth and final year as head coach, Sonny Swails was able to boast a record of 85 wins, 37 losses, and 3 ties.

1979-80 Annual Staff

Our Family: Anne Swofford, Belinda Ayers, Amy Mann, Barry Shore, Melinda Shelor, Beverly Dillard, Ricky Elgin, Cindy Eckenrod, Donna Pendleton, Steve Tatum, Brenda Martin, and Caroline Pilson.

The annual staff not only adjusted to new quarters, but also made a considerable adjustment in the size of the staff. Quarters being small, the staff, too, had to be reduced, therefore, increasing the workload on everyone. The staff became a family; everyone contributing to every section of this year's annual. The resulting product is one with nostalgic overtones – symbolizing a closeness found only in families.

Under

Liberator

Mrs. Elizabeth Warren exhibits the necessity of preciseness in journalism.

The journalism class under the leadership of their new sponsor, Elizabeth Warren, consisted of twenty-six diligent students who were responsible for producing the school newspaper, "The Liberator." Producing the newspaper has involved selling and designing display ads, interviewing and writing stories, typing into columns and laying out the paper.

FBLA

The FBLA Chapter attended several conferences including the FBLA Fall Regional Conference in Blacksburg, the FBLA Spring Regional Conference in Salem and the FBLA Summer Training Conference at Massanetta. FBLA week was observed in February and the club sold treasure chests as their money-making project.

Officers: President, Chris Hylton; Vice-President, Patricia Scott; Secretary, Sandra Turner; Reporter, Donna Pendleton; Treasurer, Rita Bowman; Parliamentarian, Stacey Turner; Historian, Susan Howell and Mike Willard; Sponsors, Jane Smith, Judy Pollard, Glenda Martin, and Fern Agee.

Future Farmers

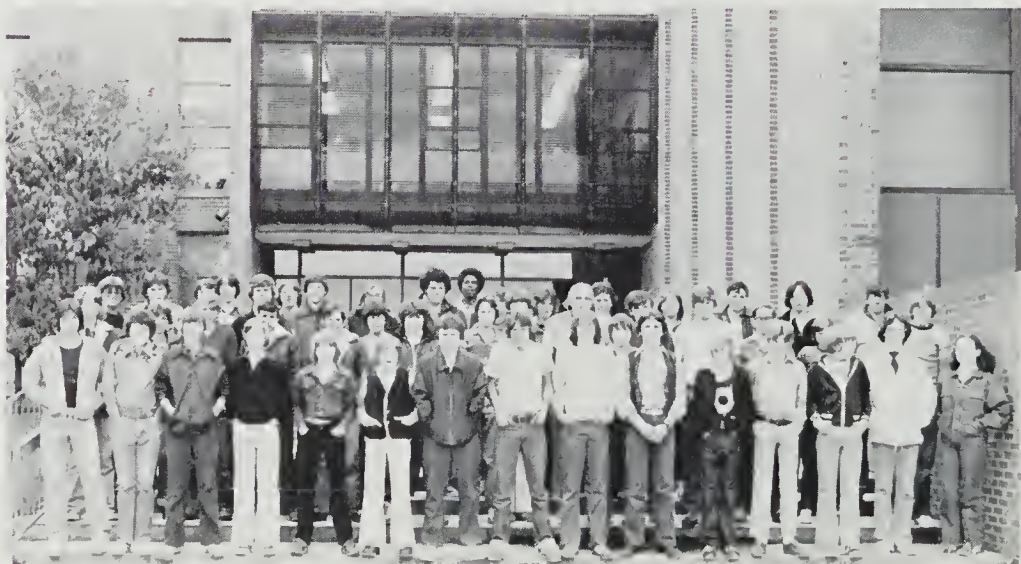

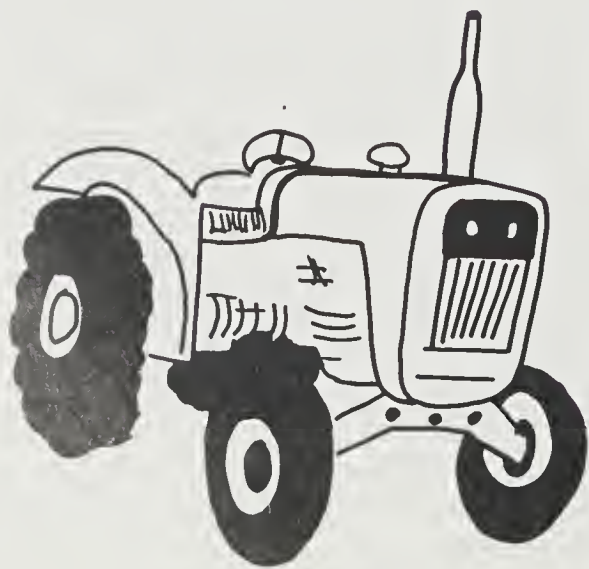

Patrick County Relies On Its

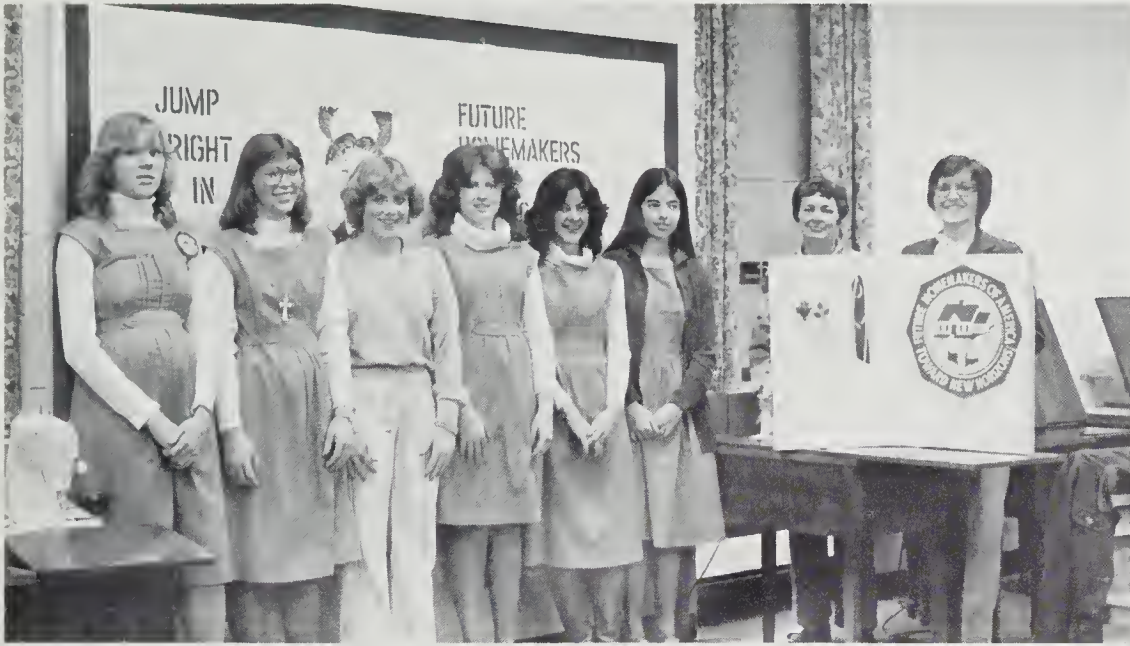

This handsome future farmer gladly poses for his picture.

As the headline reveals, Patrick County does rely on its future farmers. The club assists our rural way of life by preparing its members for a lifetime in farming. It does this by taking part in such things as forestry judging, dairy judging, and tractor driving.

Members: Mark Adams, Billy Bingman, James Blackard, Jaly Bowman, Mark Boyer, Alvin Branch, James Bryant, Junior Childress, Roger Clanton, Joel Clark, Jimmy Coleman, Ronnie Cox, Neal Davis, Ronald Davis, Jerry Edwards, Jon Flippin, John Foley, Lane Foley, Thomas Gammons, Don Gilley, Mike Hall, Randy Hall, Terry Handy, Gerold Harbour, Ronnie Harbour, Richard Harold, James Helms, Dwayne Hiatt, John Hope, Alan Hubbard, Robert Hubbard, Keith Hughes, Edward Hutchens, Michael Hutchens, Billy Hylton, Danny Ingle, Doug Joyce, Jeff Kendrick, Ronnie Lankford, James Lawson, Roger Martin, Terry Martin, Roger Moore, Mike Newman, Mark Nichols, Davis Pilson, Mark Rorrer, Jerry Sawyers, Rose Scott, Danny Sheppard, Jimmy Sheppard, David Sheppard, Tommy Shepherd, Derick Smith, Grey Smith, Curtis Spence, Wesley Tatum, Ronnie Terry, Carlis Thomas, Curtis Thomas, Barry Thompson, Mike Turner, Michael Turner, Marie Whick, Jeff Vaughn, Mike Vaughn, Christie Whetford, Roger Wood, Marion Which, Brad Corn, John Reynolds.

Club

Science

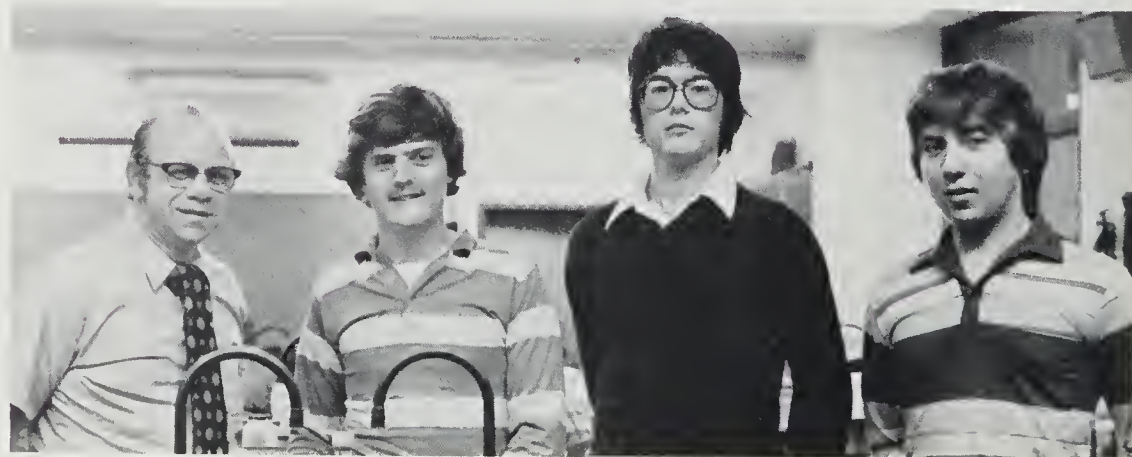

The Science Club must certainly be labeled the "fun club" of Patrick County High School. Not only is it fun, it is also very beneficial to our community. This year the Science Club undertook a general clean-up, both group and individual, used the scrap material for recycling.

A spring trip was planned to the National Museum of Nuclear Energy at Oakridge, Tennessee.

Mr. Kloock, Sponsor; Jeff Vaughn, President; Kent Iroler, Secretary; James Epperson, Treasurer.

Mr. Kloock explains the intricacies of weights and measurements to his class.

History Club

Officers: President, Judy Wimbush; Vice-President, Joyce Tatum; Secretary, Carmen Nowlin; Treasurer, Matt Penn; Parliamentarian, Tim Spencer, Historian, Linda Brim; and Advisor, John Halsey.

Members: Sonya Barbour, Brenda Brim, Danny Carter, Greg Carter, Ricky Carter, Anthony France, Paul Hatcher, Kenneth Hickman, Mary Hill, Kevin Jones, Parron Kellam, Cindy King, Phillip King, Debbie Moore, James Nowlin, Valarie Penn, Alice Redd, Stephanie Redd, Tamra Redd, Teresa Roberts, Jackie Scales, Randall Smith, Helen Tatum, Rose Mary Via, Barry Wimbush, and Chuck Wimbush.

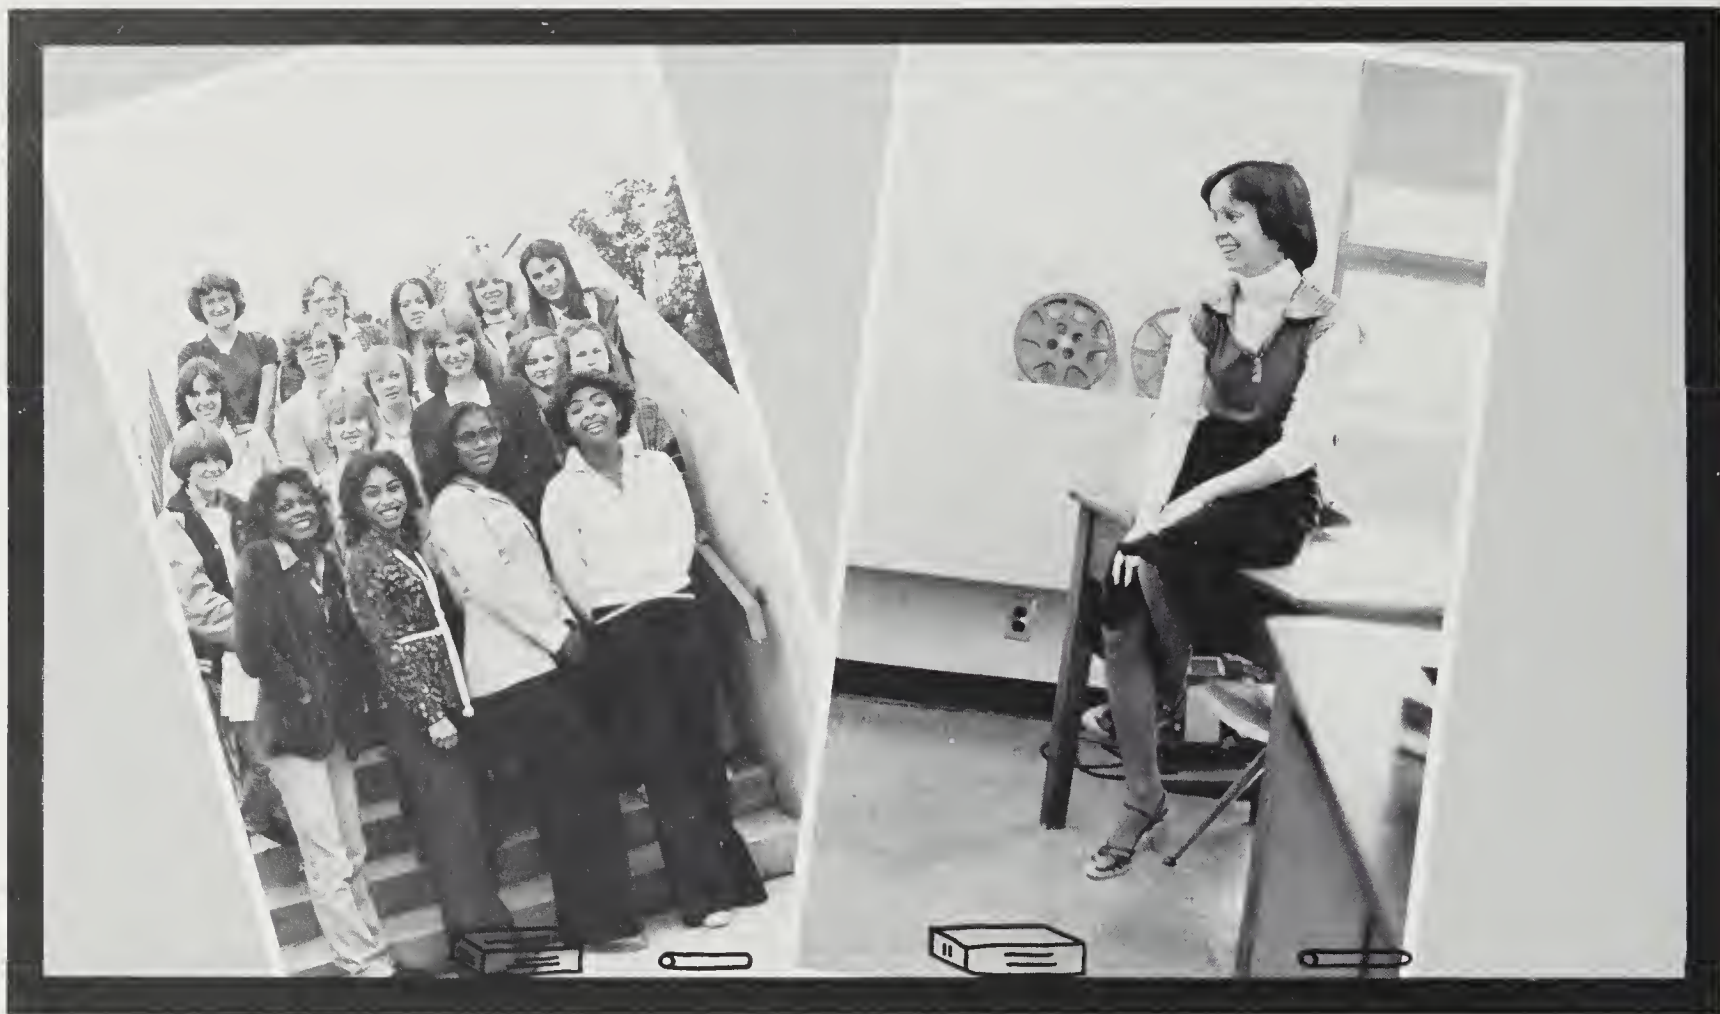

The History Club planned many interesting activities and projects. The plans included planting flowers in areas near the football field, Christmas caroling and an historic trip to surrounding areas of Virginia. Much enthusiasm and initiative was exhibited by the History Club.

Advisor: Mrs. Linda Giorno

Officers: President, Barbara Kendrick; Vice-President, Kathy Wray; Secretary, Debbie Overby; Historian, Sheree Nickelston; and Treasurer, Sandra Overby.

The letters SAE represent Student Action In Education. The SAE Club presented the Educator of the Year Award, a teacher assembly and sponsored the teacher appreciation week. Two field trips were also planned to further expose the club members to various aspects of education; one to another school and one to a nearby university.

Officers: Rodney Stovall, President; Carolyn Clark, Vice-President; Tammy Hutchens, Secretary-Treasurer and James Holleman, Advisor.

The Monogram Club received sentiments of appreciation and ceased hunger pangs by opening a concession stand before and after school. The stand displayed candy, popcorn and Cougar cups as a means of financial support for the club.

Members: Rodney Stovall, Pinky Clark, Tammy Hutchens, Karen Garraputa, Martha Pilson, Linda L. Many people do not know what VICA means, In terms it technically means Vocational Industry Clubs of America. It involves those students taking courses offered by our capable vocational department.

One of their major projects was to construct a float which netted third place in the parade. They also plan a trip to a college in the spring to offer their members a first-hand opportunity to experience "College Life".

Early Divisional

DECA is a club which is often confused with VICA and other vocational clubs. The Distributive Education Clubs of America take part in competitive events such as State Leadership Conferences, and they also schedule an Employer-Employee Banquet. Their service project this year was a free enterprise promotion project.

Debate Team Ponders

Althea Turner catches up on an assignment.

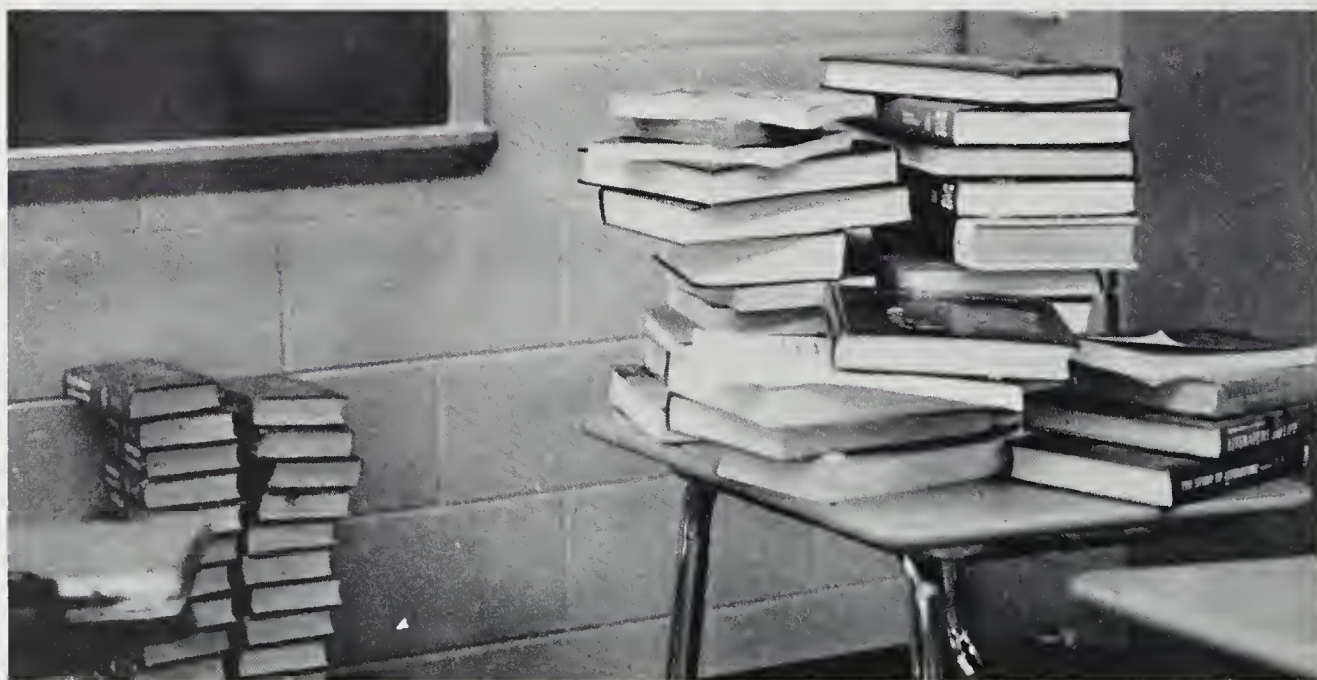

Members: Mary Lou Stroud, Marissa Tayko, Gail Tayko, Cindy Eckenrod, Dana Rodgers.

The new decade rolled around bringing with it a new zest for revival of the dormant debate team. Team members assembled and decided to meet for informal debates until a stronger foundation could be built.

Debate teams are definitely not built in a day, or even in a year. Here's hoping our debate team can enter the new decade with a show of strength!

The many books the debate team uses for research is phenomenal.

P.E.P. students busily search for project materials.

P.E.P. is the Potential Expansion Program, under the leadership of Mrs. Claudette Thompson, which allows students to do just what the title suggests — expand their potential. Students manage this feat in numerous ways including photography, forensics and individual projects.

Brenda Martin takes a moment from her work in the darkroom to reluctantly pose.

Melinda Shelor tries her discriminating "eye" in the darkroom at selecting appropriate photographs.

Caroline Pilson utilizes every available opportunity to get some work done.

In Your Own Backyard

The Annual Staff of Patrick County High School chose as their theme "In Your Own Backyard" for the 1979-80 annual.

We, at The First National Bank of Stuart, think the theme is very appropriate.

Why? Because we feel that we have an office in everyone's backyard in Patrick County to make banking more convenient to all.

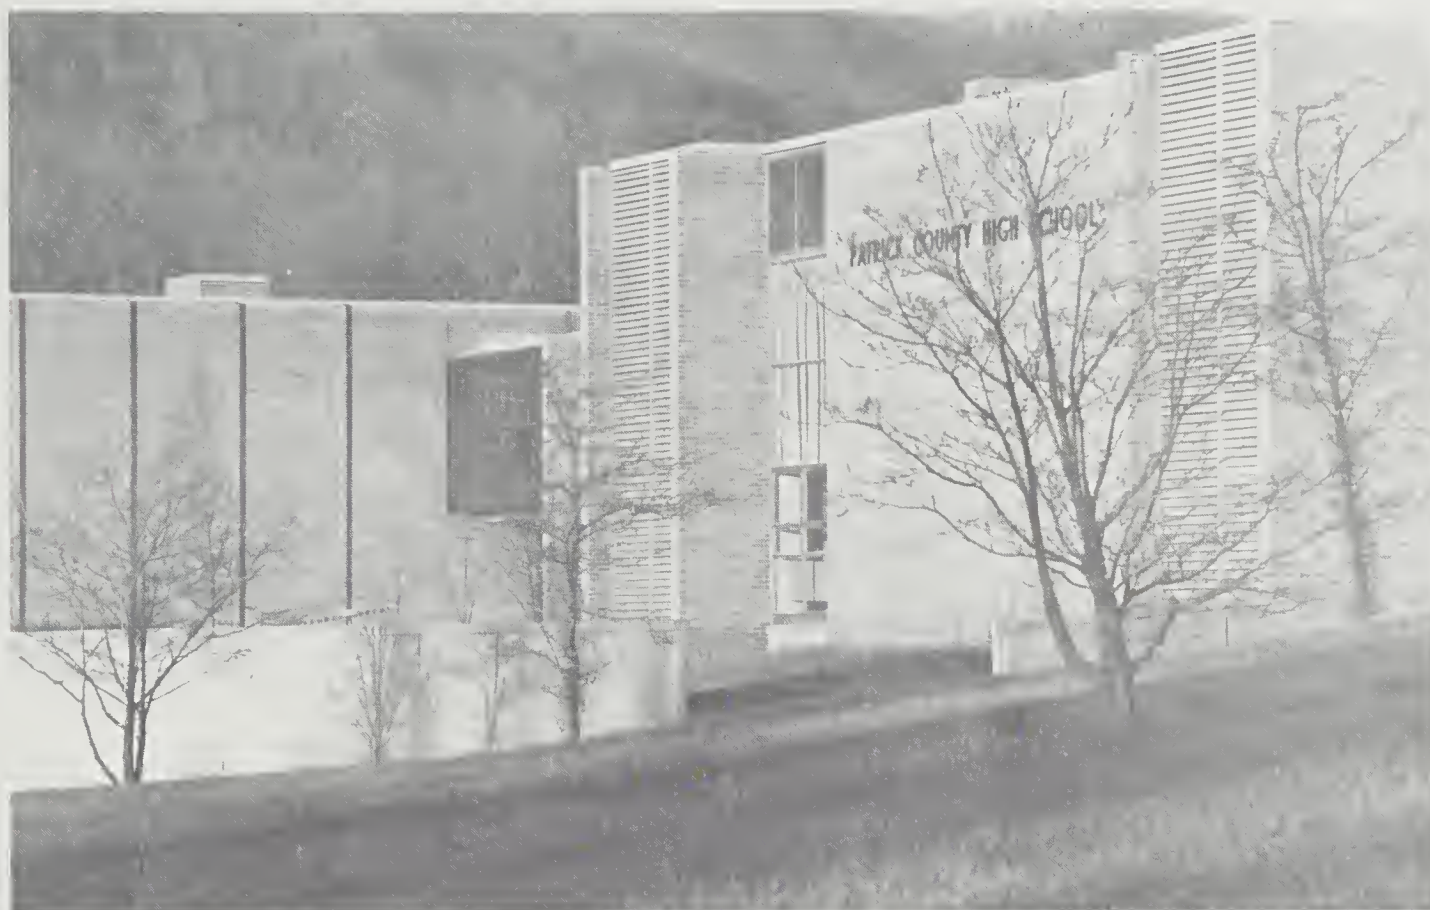

Visit any of our offices located in Uptown Stuart, Downtown Stuart, Patrick Springs, Ararat, Woolwine or Meadows of Dan for any banking need or just for a cup of coffee and good friendship.

The Patrons of Patrick County High School are the building blocks of our community.

How To Make A

There is a lot more than meets the eye when you flip through the pages of your yearbook. With each page, you may credit approximately four hours work to your diligent annual staff's efforts.

In these next four pages, we are attempting to provide you with a recipe for a fraction of the work that goes into making your yearbook. Take one cup each of diligence, perseverance and imagination and add layout sheets, a few grease pencils, a ruler, numerous position stickers and plenty of pictures. Mix well and have patience.

WARNING ASK QUESTIONS

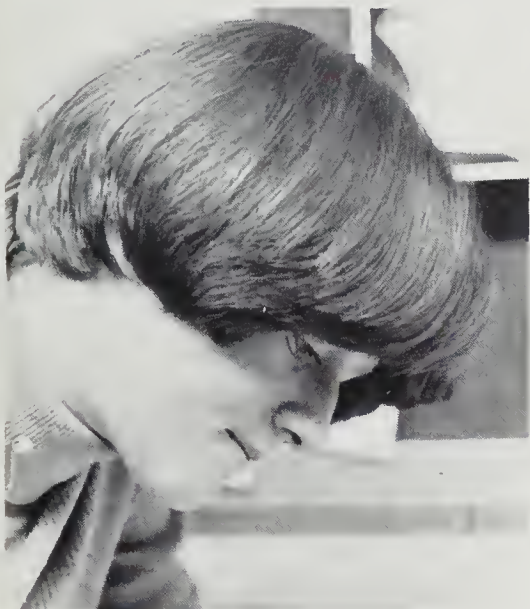

While mixture is mannating, distnbute fact sheets to teachers, coaches, counselors or run down anyone with answers to questions you have. Once you get names or information, usually you must alphabetize and always you must check the validity of your information (including spelling).

To prepare a spread (any two pages you see), you must first have a subject for those pages ... whether it be football or clubs or even what you see here. Obviously, you need pictures (a message you must relay to the photographers) and a creative design.

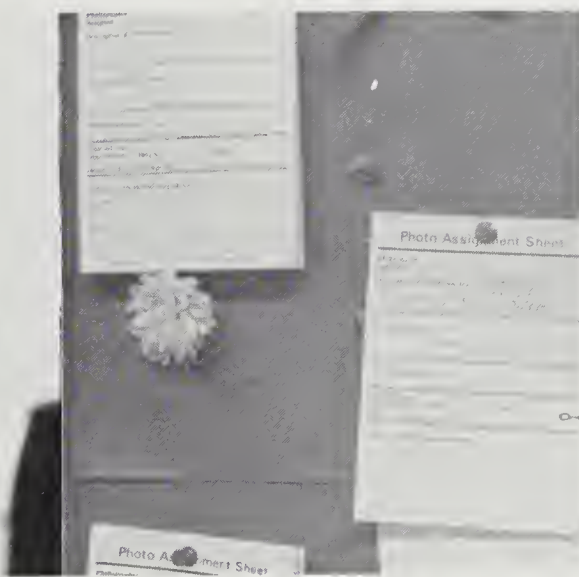

High School Yearbook

To this you must add imaginative captions for your pictures and a definitive headline for each page. Be sure not to forget all the minor details.

Page numbers with sub-topics that you find on the outside bottom of each page and specific instructions for the publisher to follow must be included on every single page that is submitted. After your pages are completed, they are checked, checked, re-checked and checked again.

If any errors are overlooked and pages are mailed to the publisher, the corrections become quite costly. Even a misspelled word costs \$4.00 to correct! Other careless errors tend to cost even more.

Once pages are submitted, the publisher returns proofs of those pages to be checked one more time. Corrections made on proof pages are the costly ones. The corrected proofs are then returned to the publisher for the final printing of the annual.

The Very Heart . . .

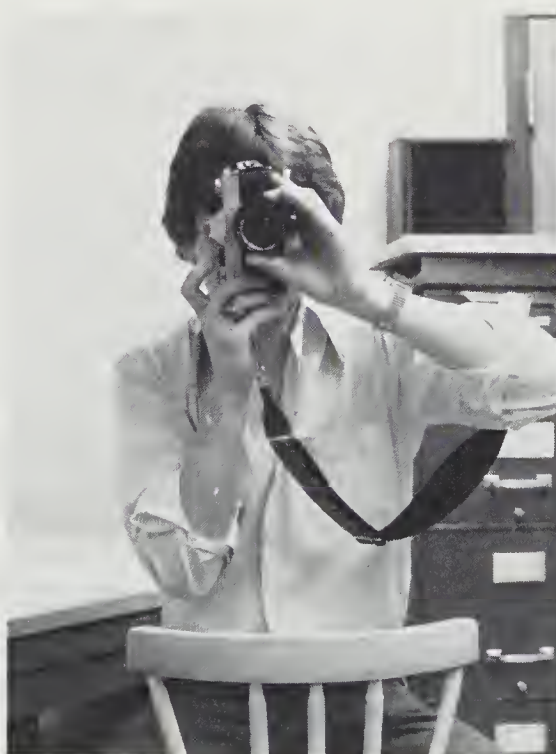

The photographer's job cannot be overlooked. Without pictures, there could be no annual.

Getting photograph assignments, tracking down subjects and organizing the shot is but a fraction of the time necessary to provide a finished print to a section editor.

Endless hours are spent in the darkroom processing film through cycles of D-76, stop bath, fixer and wash. Time is required for film to dry and the cycle begins again with the exposed paper – running through chemical processes to get proper contrast. Good prints take time.

... and Soul

From the photographs on these pages you can see that annual-making has its moments, good and bad, work and play.

Hours often seem endless. The work never ends during the school day and even snow days (when schools are closed) are used to meet deadlines.

Fatigue is a major deterrent and tempers occasionally rise. However, the family ties developed through long hours of working elbow-to-elbow have enabled us to work through even the most difficult situations under seemingly impossible circumstances.

... AND, WE'VE LOVED IT!!!

You are an individual ...

... on the pathway toward the future.

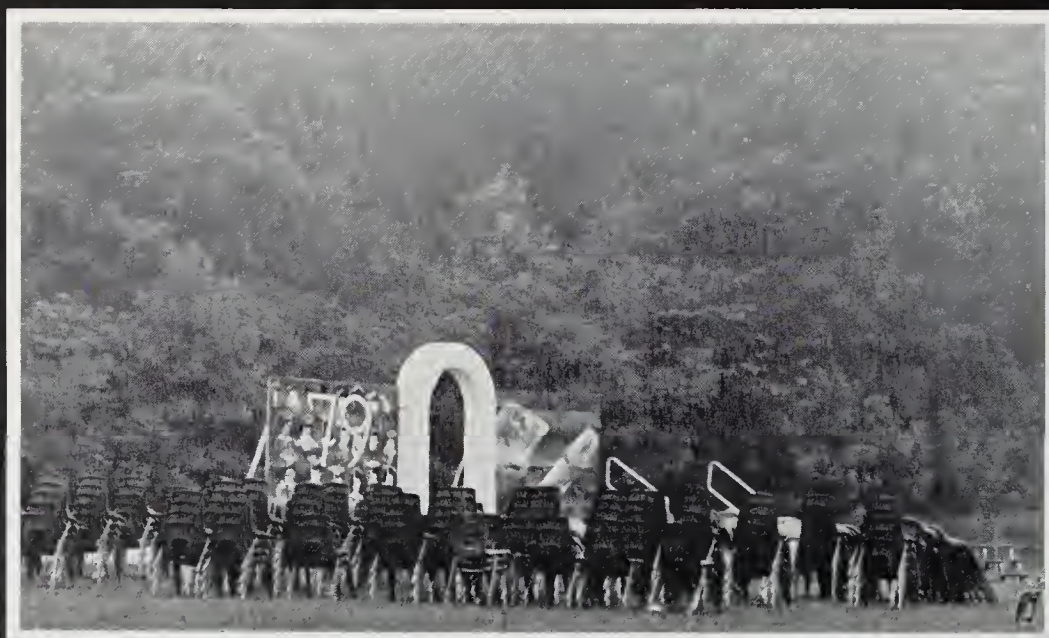

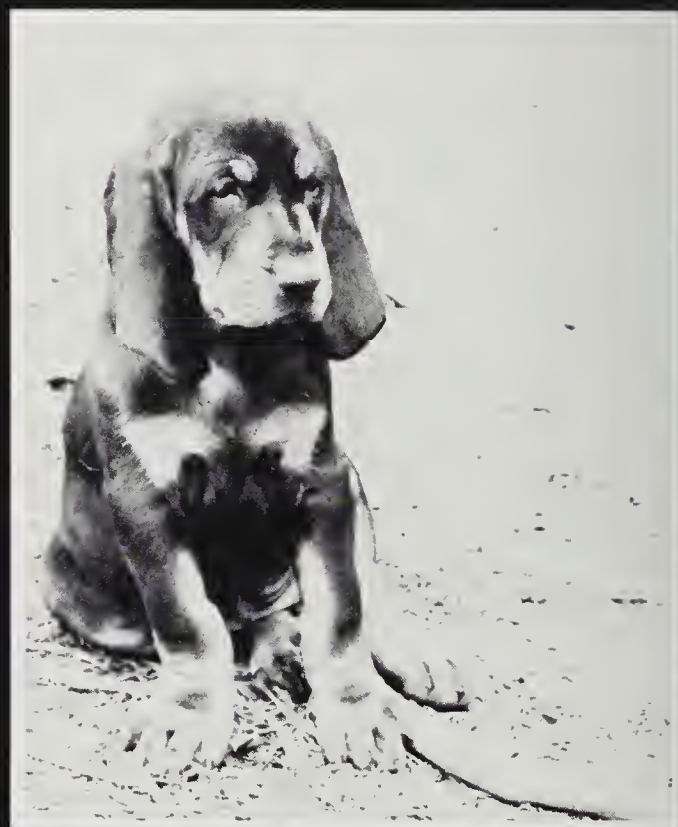

You live each day ...

*too often minimizing the accessibility
of your horizon.*

You spend your days ...

... in your own backyard ...

... restricted only by your imagination.

*You overlook what you have in your hand for
the present ...*

... and at your fingertips for the future.

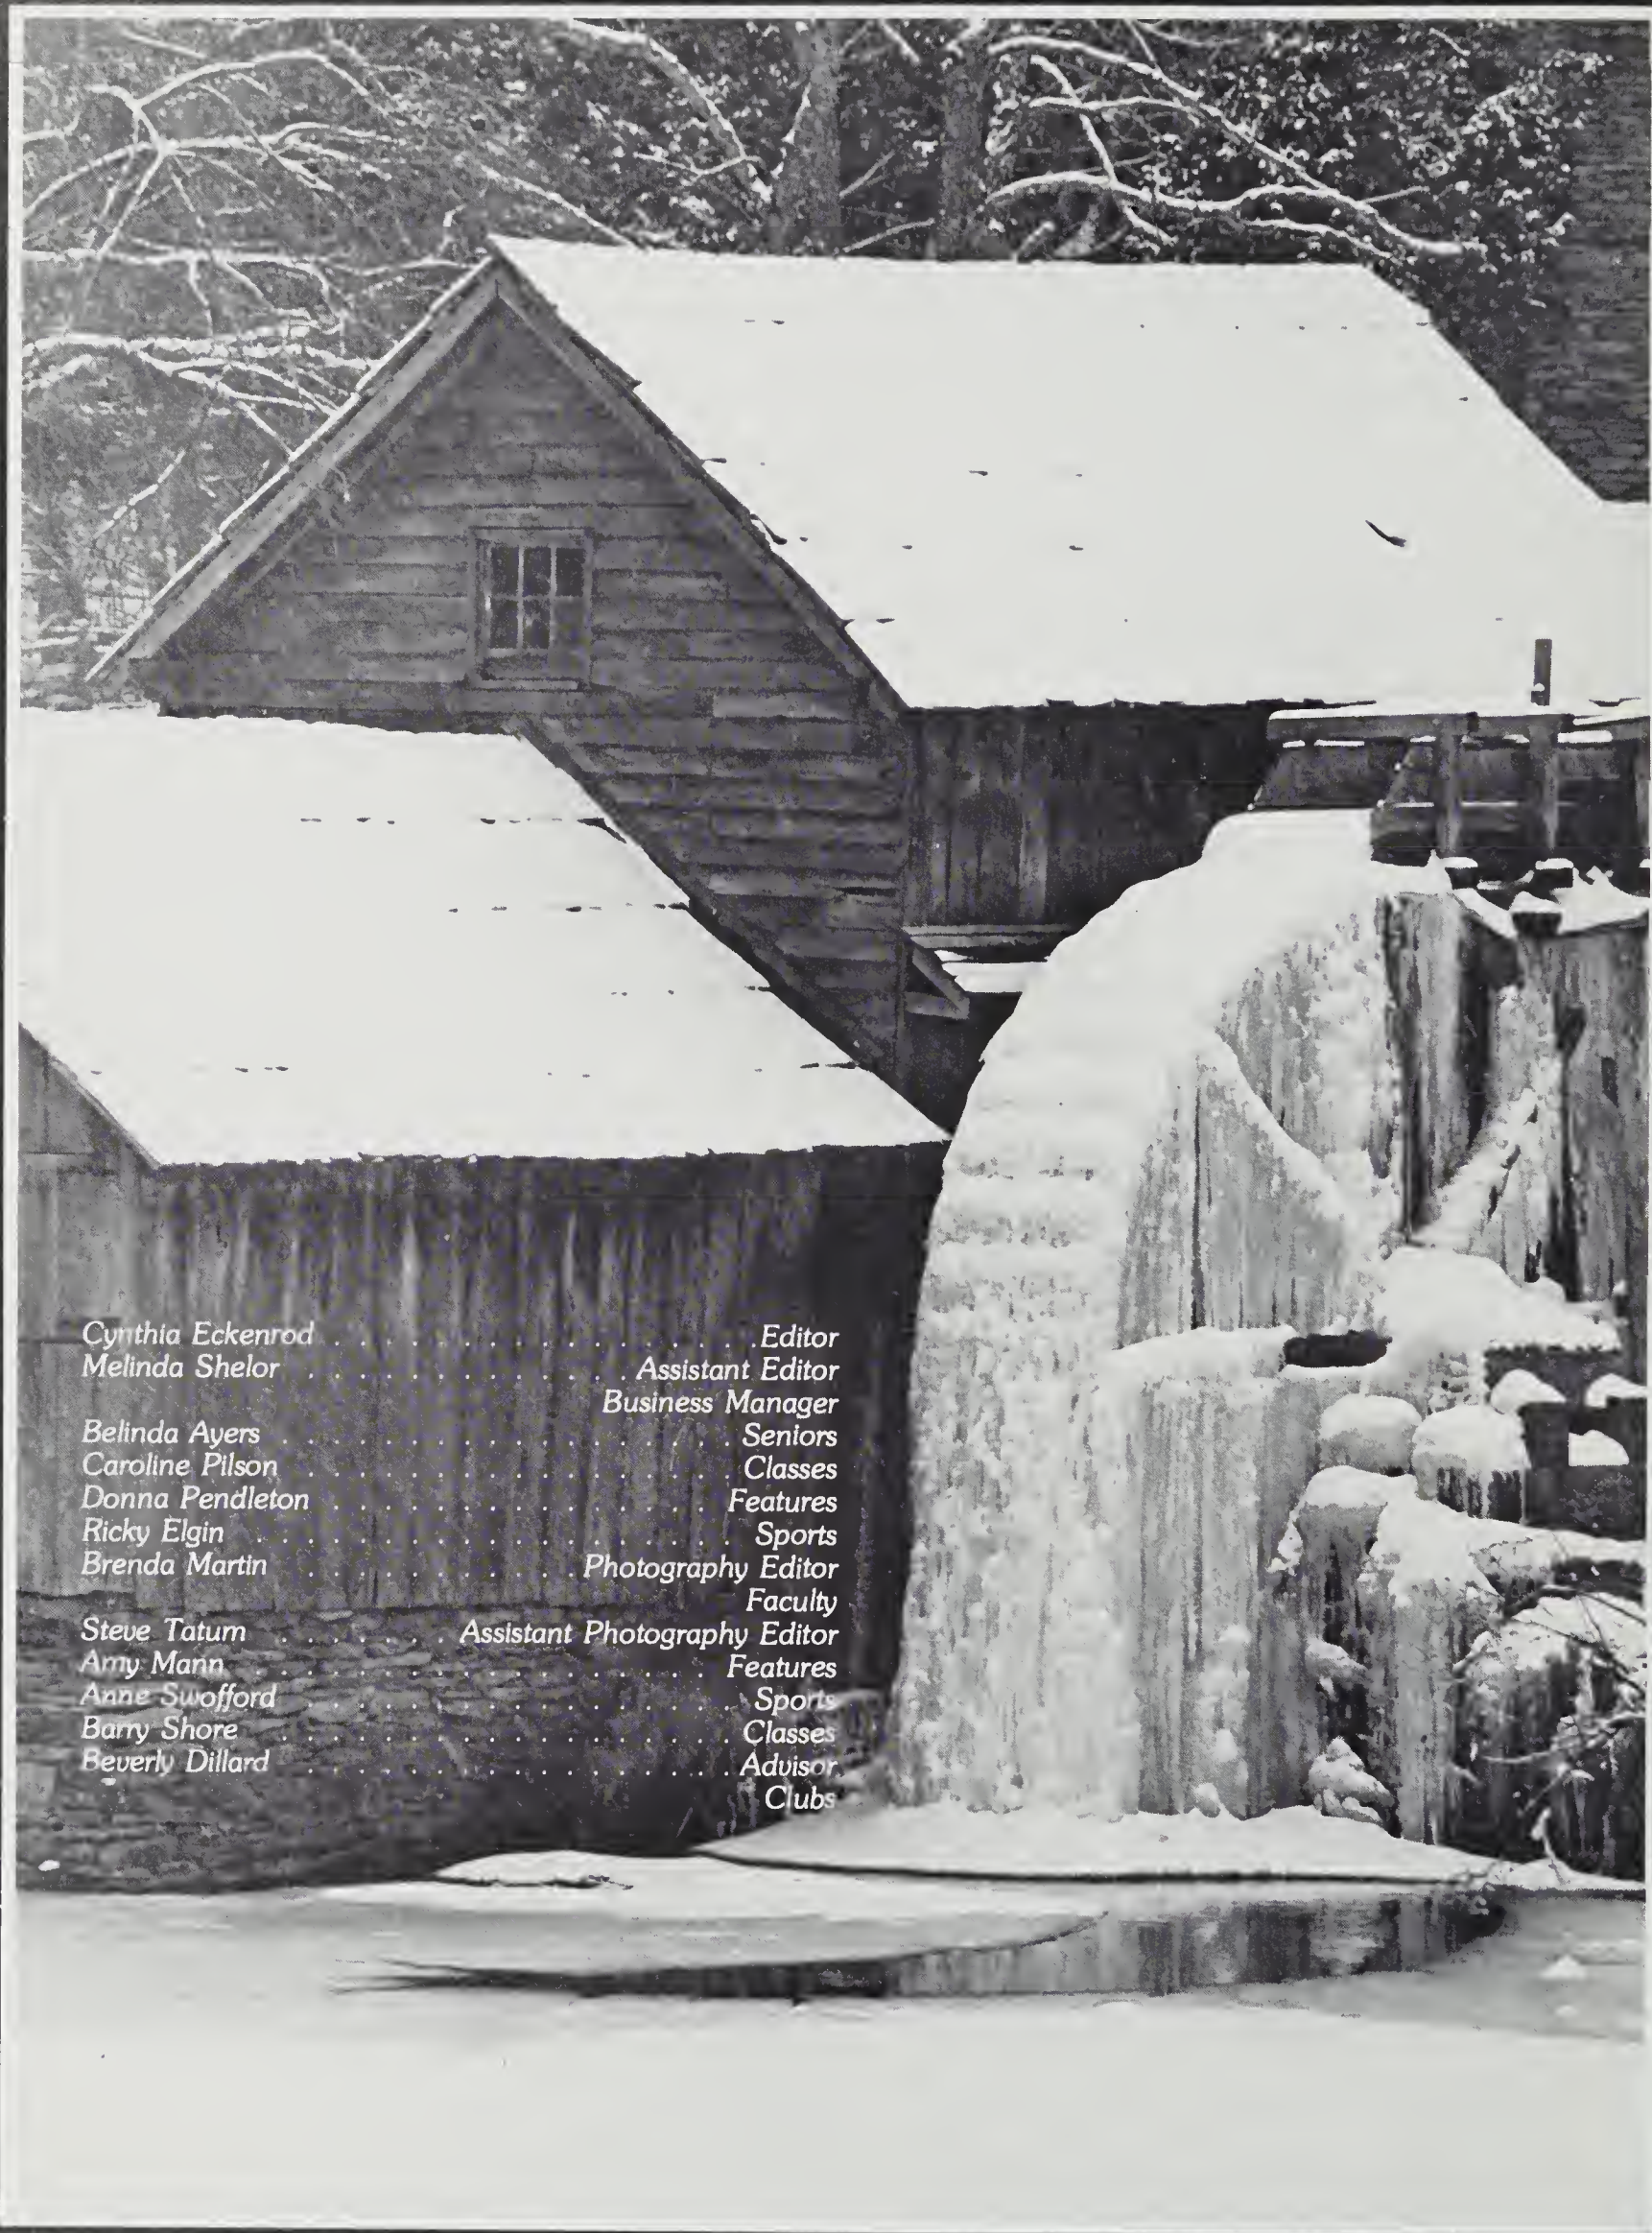

You grow older ...

... and mature with education.

Your awareness and your horizon expand ...

BEYOND your own backyard.
